

Explainable Postural Screening Using Wearable Textile Pressure Sensing

Md Sadib Rahman Ananta & Limon Bin Hossain

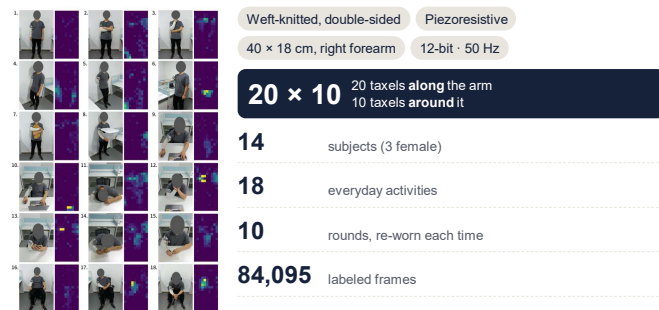

Industrial and Production Engineering · BUET, Dhaka-1000, Bangladesh

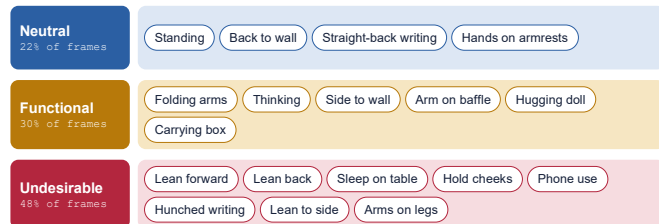

Why a pressure sleeve?

The Smart-Sleeve

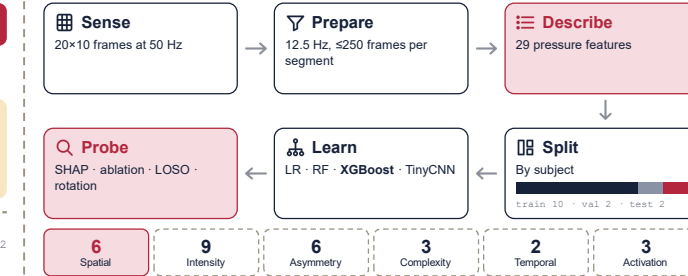

18 activities → 3 classes

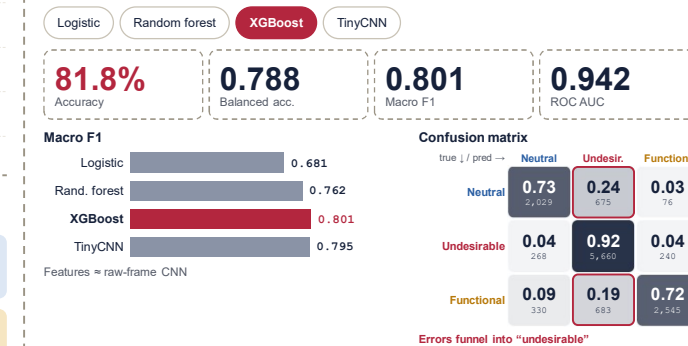

Other mappings, same result

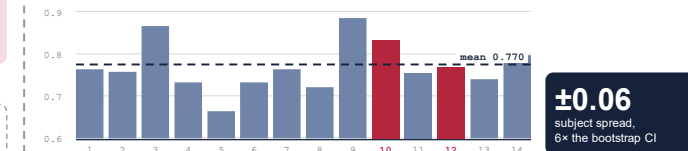

Pipeline

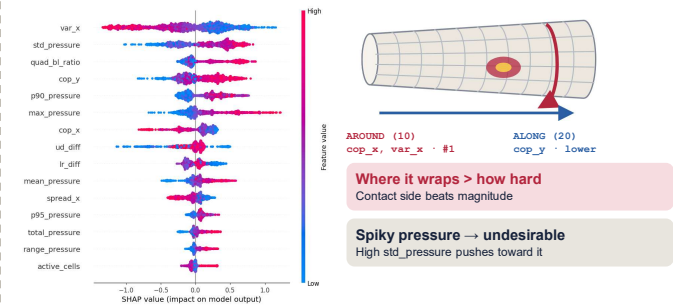

Results on unseen wearers

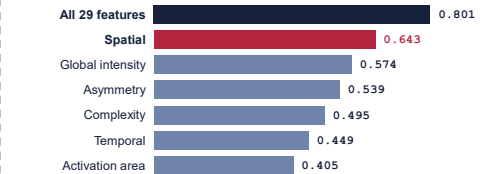

Leave-one-subject-out

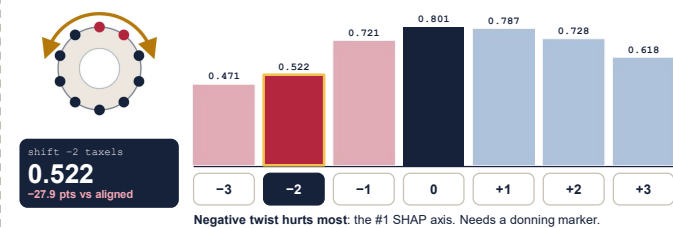

What the sleeve "feels"

One feature family at a time · macro F1

Re-wearing stress test

Take-home **0.80** macro F1 on unseen wearers

Around-the-arm location beats pressure size

8 undesirable activities, recall 0.74–1.00
